

HI, IT'S ME

Ahmed Duric

YES, THAT'S ME

~~Graphic designer~~ ~~Social media guy~~ ~~Gold email person~~ **Web designer & developer**

I build websites that pay their own rent. The words, the design, the code, the Google stuff and the email records nobody wants to touch. Then I check whether it made anyone money.

THE JOURNEY

2024 → NOW

Independent web & marketing

- 40+ websites and landing pages across 14+ industries, from dentists to real estate. The whole job: words, design, 3D, code, SEO, analytics, launch, DNS and email.

2022 → 2024

Marketing & web, Ixor Agency

- Email and Facebook ad campaigns, landing pages that turn paid clicks into customers, and client websites across the agency's portfolio.

2020 → 2022

Freelance: cold email & outreach

- Outbound campaigns with follow-ups, 25+ sending inboxes warmed and kept healthy.
- 93% delivery, 45% opens (the client's numbers, not mine).

2019 → 2020

Freelance: social media content

- Content calendars and post copy for people, organisations and companies.

2014 → 2019

Freelance: design & video

- Started at 14 on Fiverr: logos, banners, thumbnails, product and event videos.

Drampek Nekretnine Real estate, Tuzla

Built from scratch with my own 3D renders and a scroll film. Prices public, 23× lighter, five of six empty spaces rented in two months.

Clean Team Deep cleaning, Sarajevo

A review routine first (5.0 from 107), then a site written in the words people type: #1 for "čišćenje madraca Sarajevo".

Dental Studio dr. Jusić Dentist, Visoko

Rebuilt around "zubar", the word patients search for: now #1. Enquiries that used to vanish now arrive (email 3.2 → 9.8/10).

Vrtić Ču-Ču Kindergarten, Sarajevo

Relaunched without a single minute of email downtime. #1 on Google and the map for "vrtić Alipašino Polje".
